

Meeting notes for Hope Hewett (Creative Director) and Jonas Schwab (Designer/Developer)

Recording: <https://wustl.box.com/s/xn8lsen9atyvcboe3ur7a8itxv0cwqz4>

We decided on trying out two different vibes for the website in the mockups. One that has more nature and tree imagery and one that has more colors and focuses on the cute aspects of squirrels.

The focus for much of the website will be on pictures with some written squirrel info scattered throughout the pages.
